100% SUCCESS IMPROVING BANK ESG SCORES WITHIN ONE YEAR

We help banks align disclosures with rater expectations — **turning reporting into measurable results and stronger investor visibility**

25%

improvement in ESG
Risk Rating

A major North American bank **climbed 200+ global ranks** in one year.

Fruit refined their disclosure strategy and ESG communications to align with rater expectations.

SIGNIFICANT ESG UPGRADES ACROSS REGIONS

-  A European bank advanced to **the next rating tier** at two major agencies.
-  A Middle Eastern bank achieved **an 18% ESG Risk Rating gain** in under 12 months.
-  Each followed the same evidence-based process — **alignment, clarity, results.**

WE KNOW ESG — WE HELPED SHAPE IT

Our team includes **former ESG agency leaders** who know what drives scores and how to communicate it effectively.
