

WELCOME TO THE TEAM

INTRODUCING
JULIA & CONRAD

Julia Nitz

Consultant

*Former Sustainability Specialist
at Nemak*

Julia specializes in IFRS S1/S2 and ESRS-aligned disclosures for multinational organizations. She supports clients in delivering audit-ready, investor-grade reporting, regulatory gap assessments, KPI design, and credible Scope 1-2 decarbonization and net-zero pathways.

Conrad Albrecht

Managing Director – Sales

*Former Managing Director,
Sustainability (Eurasian
Development Bank); former MSCI*

Conrad specializes in sustainable finance and ESG strategy, with extensive experience in responsible investment, climate finance, and capital mobilization across global markets. He helps institutions build ESG frameworks, scale sustainability platforms, and deliver tailored, results-driven investment solutions.

Maggy Chen

Consultant

Former Sustainability Consultant at KPMG; Sustainability Office Supervisor at Certified B Corporation

Maggy specializes in ESG strategy, disclosure frameworks, and ratings improvement for multinational organizations. She supports clients in delivering SASB-aligned reporting, ESG ratings gap analyses, TCFD-aligned climate scenario planning, and carbon-neutrality initiatives that improve regulatory readiness and ESG performance.

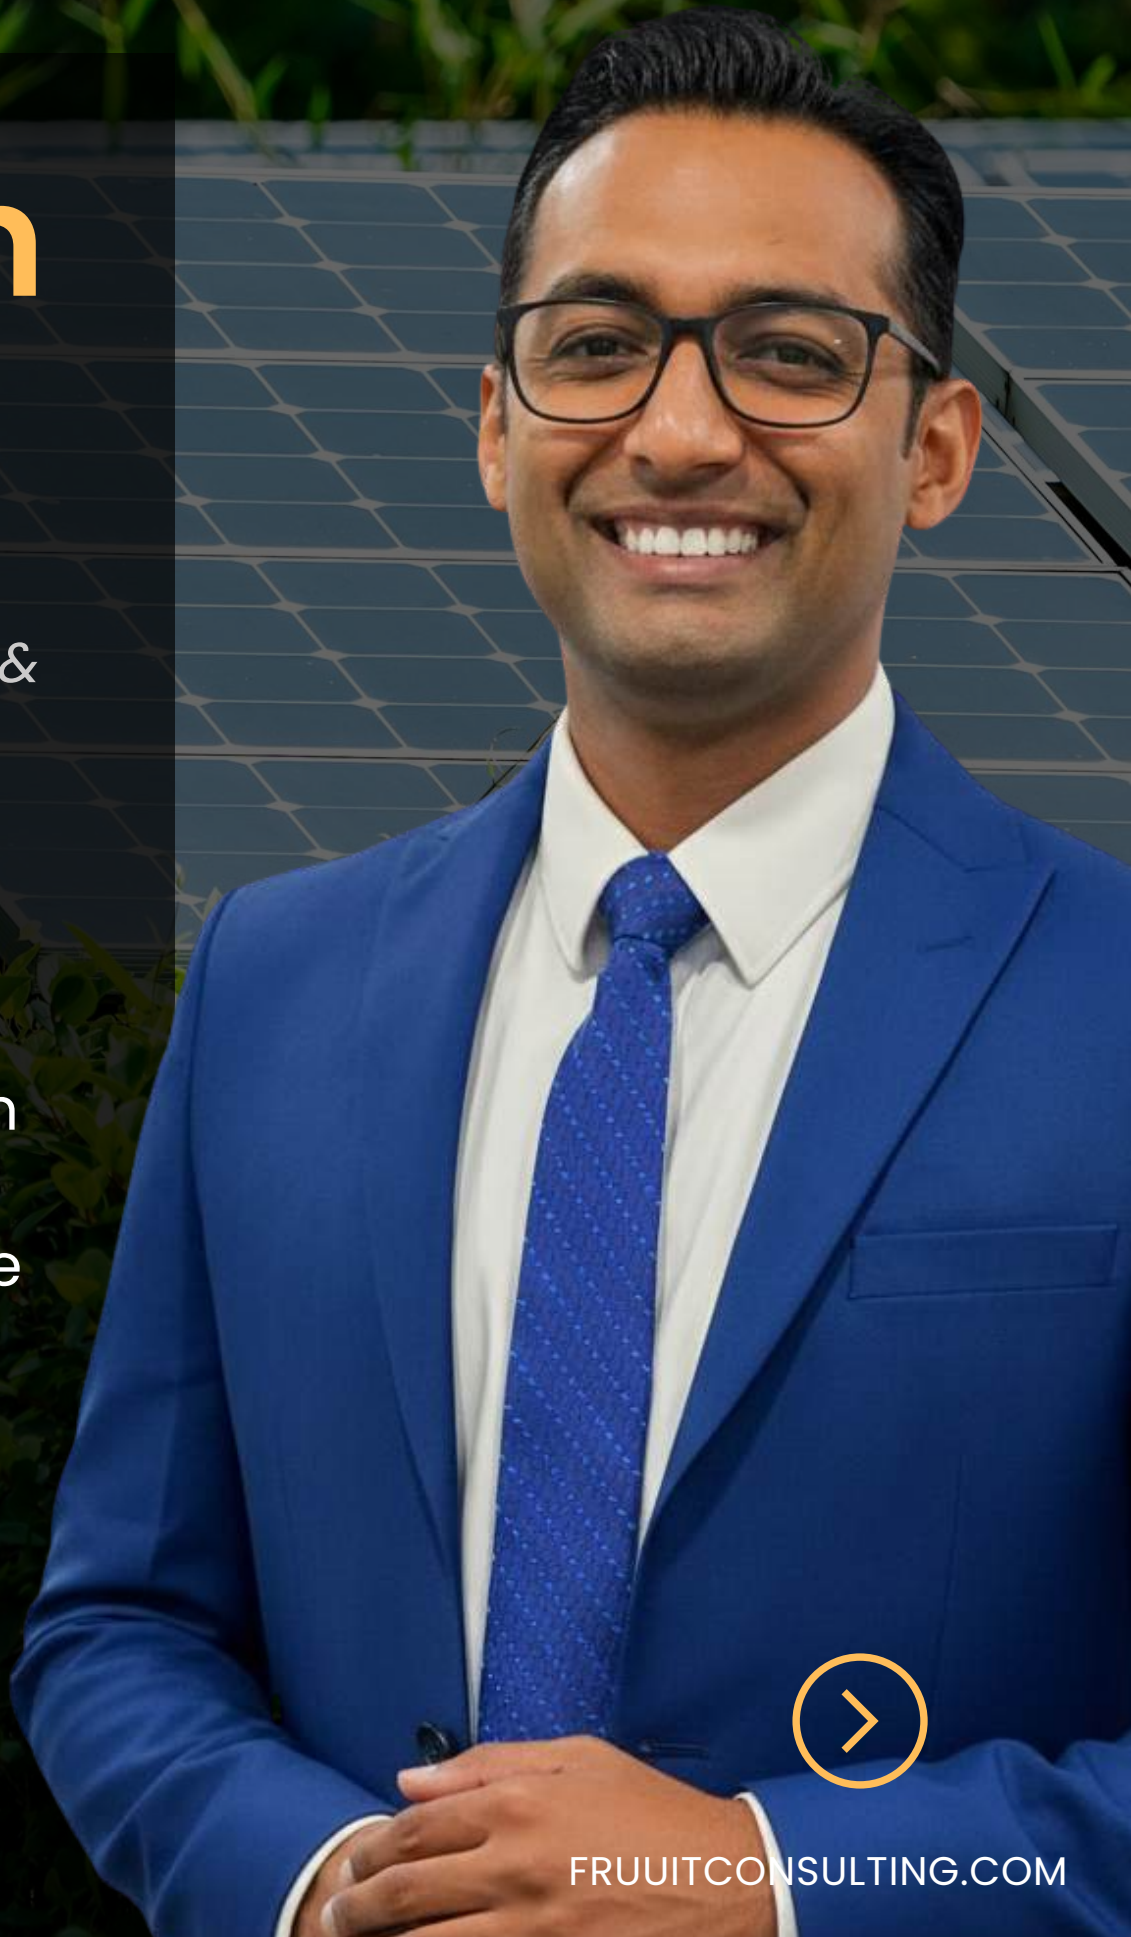

Prathmesh Chourey

Consultant

Former ESG Data Governance & Disclosure Lead at Scotiabank

Prathmesh specializes in ESG data governance and disclosure management, with deep expertise in GRI, SASB, and audit-ready reporting. He supports organizations by improving ESG ratings submissions, standardizing disclosure workflows, and streamlining data processes through automation and ISO 14064-aligned practices.
